**FUDDRUCKERS® REOPENS POPULAR HOUSTON CITYCENTRE AREA LOCATION  
FOLLOWING FIRE, DEBUTING REFRESHED INTERIOR FOR NEIGHBORHOOD INSTITUTION**

**Houston, TX – May 16, 2013** –[Fuddruckers](#), home of the “[World’s Greatest Hamburgers](#)”, is proud to announce the reopening of their longtime Houston [location](#) at 10500 Town and Country Way in the sought after CITYCENTRE/Town & Country area. The popular restaurant has been closed since the beginning of the month following an early morning electrical fire, which occurred outside of business hours.

According to Peter Tropoli, Chief Operating Officer, “Proving that there are silver linings to often unfortunate circumstances, we were hugely relieved that due to the timing of the incident, there were no injuries, and we took the opportunity to make some exciting cosmetic enhancements to this neighborhood institution.”

The new interior color scheme incorporates a warm, fresh and vibrant palette of Urbane Bronze, Rave Red and Sassy Green. The contemporary road house décor has been reinforced with the addition of nostalgic guitar picks, bottle caps and classic band memorabilia. Additionally, a new pick up counter has been installed, and an upgraded kitchen display system is in the process of being implemented to improve order accuracy and service times.

Since 1980, the Texas-born brand has been obsessed with doing it better than anyone else and making the world happier, one great hamburger at a time. Grilled-to-order burgers feature always fresh and never frozen, 100% USDA premium-cut beef with no fillers or additives.

Fuddruckers’ hallmarks include the legendary Build Your Own® produce bar, delicious, hand-breaded onion rings and sought after, sesame-topped buns that are baked from scratch on-site throughout the day to achieve the perfect combination of crisp crust and melt-in-your-mouth texture.
